Overview

The "Traffic Source & Medium" preconfigured dashboard provides insight into the sales and performance of different traffic sources and mediums. At the top of the page you are able to customize the time period you would like to analyze.

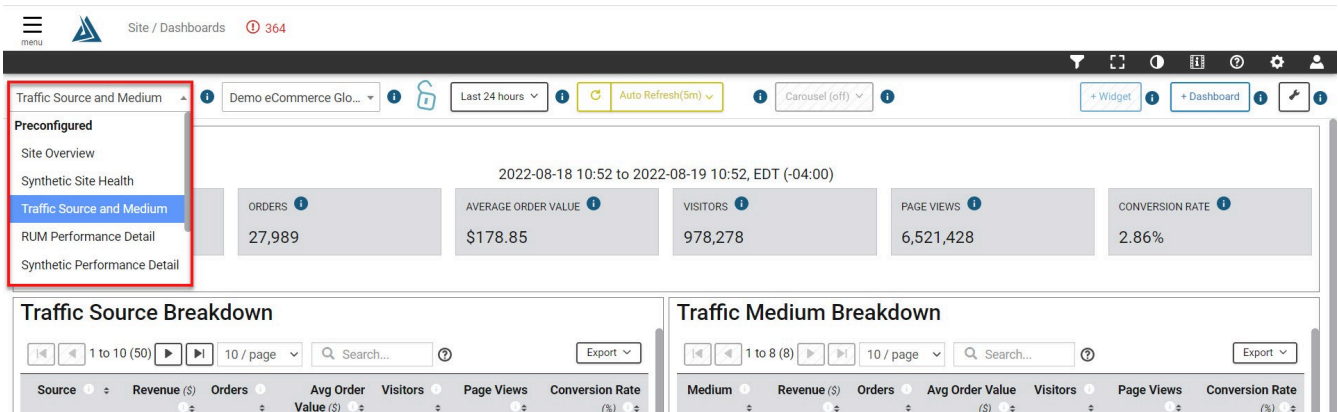

How to Find the Traffic Source and Medium Dashboard

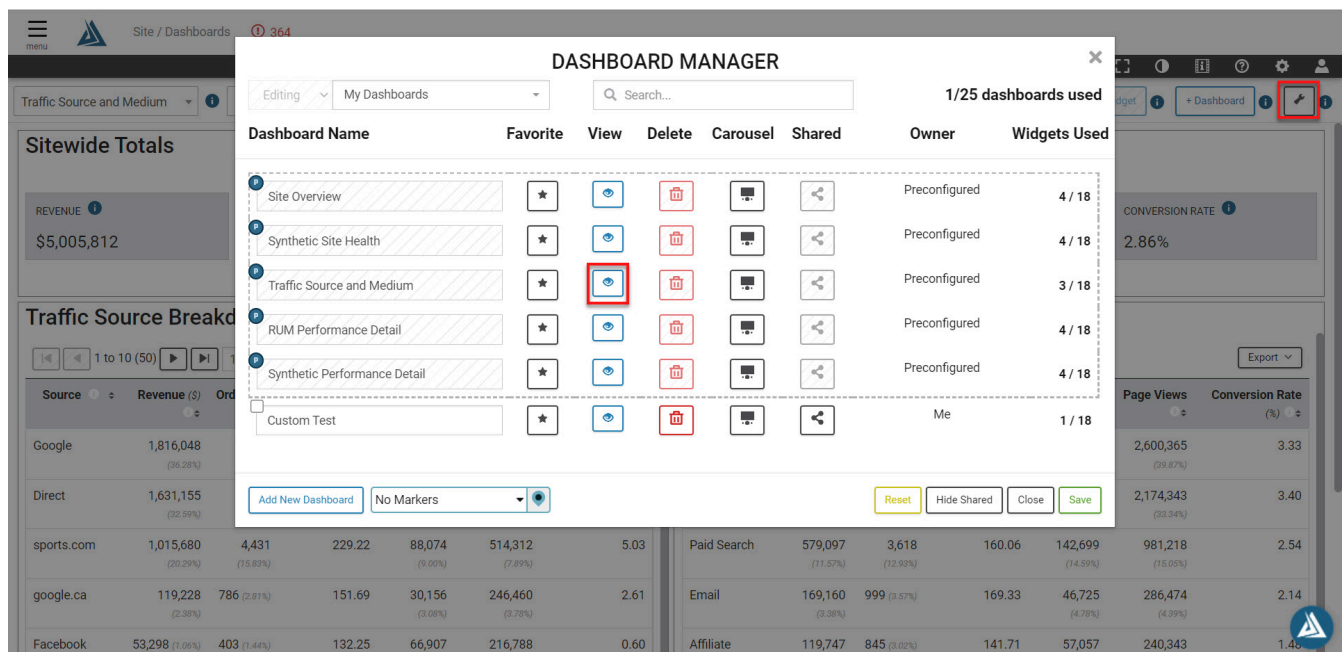

To find the Traffic Source and Medium Dashboard click on the menu at the top left of the BT Portal, and click **Dashboards**.

Then click on the drop down menu at the top left of the screen, and select **Traffic Source and Medium**.

Alternatively, you can find the dashboard by clicking on the gear icon at the top right of the page, and clicking the view icon next to the dashboard that you would like to view.
