Overview

The Revenue Opportunity Widget allows to to see your latest Revenue Opportunity Report as a bar graph in a dashboard. Data is pulled from the most recent Revenue Opportunity Report and automatically updated

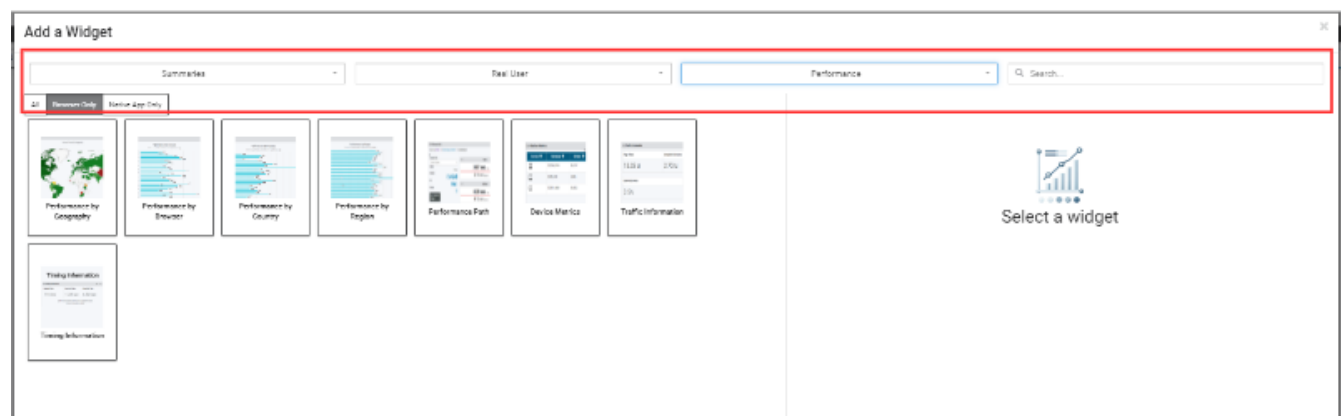

Find Widget

Once you enter the Add a Widget menu, you will see a variety of filter options on top. One way to find the Performance Widget is to use the filter options listed below.

Filter Title	Filter Option
Widget Type	Summaries
Data Type	Real User
Insight Type	Business

Another way to find the Performance Widget is to use the search bar at the top right of the menu.

Widget Configuration

To configure this widget, fill out all required sections and apply any filtering you need.
